

\$500,000. Settlement ~ Motorcycle Accident - Spring 2015

Mr. Molinari represented a 20 year old student who was exiting the college parking lot when he was struck by the defendant's vehicle that made a left hand turn directly in front of him. There was an eyewitness at the scene who claimed that the motorcycle was speeding as it approached the area of the accident. Plaintiff was thrown over the roof of the vehicle and suffered partially collapsed lungs, lumbar spine fractures, and a left wrist fracture for which he underwent two surgical repairs. The defendant tendered its' full policy limits of \$500,000 just prior to the scheduled Trial date.
